The Vice Chancellor
The University of Hyderabad
Gachibowli
Hyderabad.

Dear Sir

The Airtel Hyderabad Marathon the flagship event of the Hyderabad Runners, a not for profit running group, is now in its 8th edition and has grown to become the largest annual inclusive sporting event in the city as well as India's second largest city-marathon.

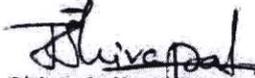

The University of Hyderabad has been a part of the Hyderabad Marathon right from the very first year with a section of the route passing through the University campus in the last leg of the race. The university section has always been a memorable part of a marathoner's experience of running the Hyderabad marathon.

This year the marathon is on Sunday the 26th of August. We kindly request you to give us permission to route the marathon through the university. The students also play a big role in volunteering for the event and cheering the runners as they run through the campus. Many students also run the marathon and other shorter distance races. I request you to notify the various university departments concerned to extend their support in ensuring another successful event.

We will be coming through the campus in the first week of August 2018 to perform various route checks by the race officials, the medical teams and volunteer coordinators. Kindly permit this access by notifying the campus security teams. We will also be in touch with the Physical Director to seek his cooperation and encourage runner participation and give student volunteers an opportunity to be part of the event.

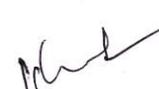

We look forward to the continued support from you and large participation from the university. Thank you very much and do contact me for any questions you may have.

Carnival

Sep 10, 2018

A day at the Traditional Sports Carnival

The event was open to all the students. It was not a sports competition but rather an invite to indulge in the traditional sports. Primitive or traditional sports carnival was an effort to revive the interest in the traditional sports, which are too localized to gain prominence, or which are officially not given the status of sports in the mainstream arena. It is an effort to make people realize how much of precision skills one needs to play these games. Believe me none of these sports a cakewalk.

Amazingly, the sports that were played included Gilli Danda (reminds of one's childhood), Indian Marbles or better say Kanche Khelna, Tug of war, Thokkudu billa, Silambam, Kalaripayyatu and Bongaram.

The first event was Bongaram or playing with the Lattu .From Bongaram we went to Gilli danda, which is a game of precision. The players struggled to make a contact to hit the gulli and strike it with the danda. The next event on the list was Marbles. Kanche khelna or Marbles must have sent a lot of people into reverie of

Over 3,000 run in Club Run 2019

HANS NEWS SERVICE

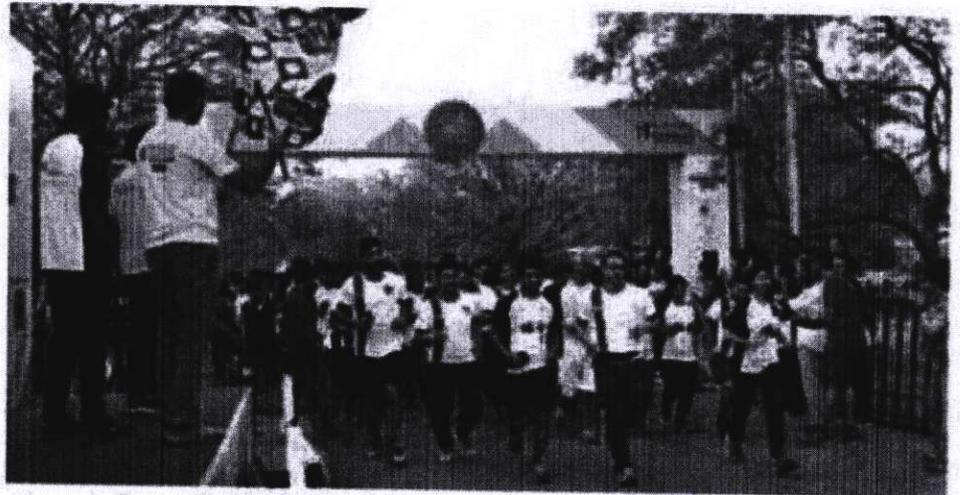

Hyderabad: The lush green environs of the University of Hyderabad played host to more than 3,000 runners on Sunday morning. Around 1,100 took part in half marathon, 1,300 in 10k and 600 in the 5k categories.

The race was flagged off by the Director of Physical Education Department, University of Hyderabad, Kali Rajeshkar, and Dr Murali Nannapaneni, the President of Hyderabad Runners Society.

An annual fixture on Hyderabad's running calendar, the Club Run 2019 was conducted jointly by the University of Hyderabad and Hyderabad Runners.

Couch to 5k program

The Couch to 5k is a scientifically designed 8-week programme, aimed at people who have never run before. Driven entirely by the volunteer efforts of Hyderabad Runners, at the end of 8 weeks, by following a proper training schedule, a person who had never

attempted running before would be able to effortlessly run a distance of 5km.

Hyderabad Runners started the Couch to 5k program first in 2014 and this year has seen 600 participants. The Couch to 5k program for 2019 was kicked off at 19 locations across the twin cities.

All participants of the Couch to 5k program who completed the 5km distance received a commemorative medal and certificate.

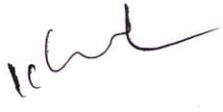

All finishers of the Half Marathon

and 10k and 5k runs received finisher medals, while the podium finishers in all categories were presented with plaques.

The anthropological study on Hyderabad Runners was carried out by Dept of anthropology, University of Hyderabad, under the supervision of Prof N Sudhakar Rao. The study was carried out with an objective of understanding what keeps the Hyderabad runners together.

Subject: Permission for a Women's Night Run on 15th October, 2019

Dear Sir,

The Hyderabad Runners Society is made up of a large group of passionate runners who apart from enjoying the sport of running have been actively involved in promoting running as the preferred choice of fitness. Over the years, the University of Hyderabad has also played an important role in advancing that goal. The University has been a long-standing partner in various events organised by us and we – both as a running society and a city – will be indebted to you for the commitment you have shown to us and our cause in the recent past. You have enabled us to bring about a positive change in the attitudes of the general public of Hyderabad towards health, wellness and running, by allowing us to organise the Airtel Hyderabad Marathon as well as the Hyderabad Runners Club Run, through and within the lush green environs of your campus. We will be forever grateful for the incredible support that you have been showing us in this regard.

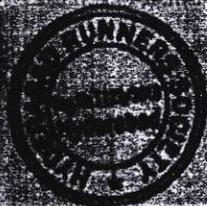

This year, as a special recognition to women, we have decided to undertake the promotion of women's safety and empowerment by organising a Women's Night Run, as a way of encouraging women to reclaim their own safety and empower themselves. We deem the University of Hyderabad campus to be an idyllic space for us to organise such a run with minimal barriers for the women runners. Our preliminary interactions with Dr. Kalki Rajashekar, Director of Physical Education at the University of Hyderabad, in this regard proved to be extremely encouraging. He instilled in us the confidence that with the requisite support from the Physical Education Department, we would be able to ensure the smooth conduct of the event. We will also encourage all the ladies (students, faculty & staff) in the University to be a part of this initiative.

[Signature]
Director of Physical Education
University of Hyderabad

I am writing to you, to seek your permission to organise a 10km and a 5km run through the campus of University of Hyderabad on the 15th of October, 2019 from 8PM to 11PM. I would like to assure you that all the necessary preparations and arrangements for the event will be undertaken by Hyderabad Runners Society, and there will be no inconvenience caused to the university community in any manner. Look forward to meeting with you at a convenient time and discussing the same in greater detail along with some of our club members who will be instrumental in organising the run.

Thanking you

Regards,

Sub.: Request to use Hyderabad Central University Campus for conducting the Wells Fargo EGS (India) 10K Walk/Run/Ride event

Dear Sir,

We, Wells Fargo (EGS) India Private Limited, are writing with reference to the captioned matter.

One of the annual activities we conduct to promote the well-being of our team members is the "WFEGS 10K Walk/Run/Ride" ("**Event**"), in which around 1500 team members participate. We have been conducting the Event successfully for the past 7 years across our locations in Bangalore, Hyderabad and Chennai. This year, we are planning to host the Event in Hyderabad on 22nd February 2020 (Saturday) or 29th February 2020 (Saturday).

In the past years, we used to conduct the Event on the main road, post seeking police approvals. This time, keeping our team members' safety in mind, we desire to conduct the Event in a safe zone, and believe this would create a better experience for our team members. More specifically, we believe that the spacious, clean, and well-maintained Hyderabad Central University Campus will encourage more team members to participate in the Event.

Please let us know if we can use the esteemed Hyderabad University Campus for hosting the Event this year. We eagerly look forward to receiving a positive response.

Sincerely,

For Wells Fargo EGS (India) Private Limited
